Advertising Rates

The Bulletin is funded by advertising revenue. Our advertisers are vital to the service we provide, and we appreciate your business. We consider support for small, local business part of our mission, which is why our rates are considerably lower than those of competing publications.

Full Year Payment Discount: 10% with up-front payment for 12 months of consecutive advertising. Applies to all ad sizes.

Two Color Ads:

There are a limited number of spots for two-color ads which are filled on a first-come, first-served basis.

Payments: We expect up-front payment from all new advertisers. If you want to subsequently continue your ad, we can bill you but you always have the option of paying as you go.

As volunteers we can only provide four billing cycles during the year (Jan-Mar, Apr-Jun, Jul-Sept, Oct-Dec.) This helps us keep costs and advertising rates down. We understand that sometimes a late payment can occur due to oversight or error. However, we reserve the right to pull an ad if we don't receive a timely response to an invoice.

Proofs: If we create the ad or need to alter one submitted by you, we will provide a proof. It's the advertiser's responsibility to review proofs for errors and to approve or indicate corrections. We are not responsible for errors in advertisements provided camera ready by the advertiser or an agent, however, we will do our best to review submittals for typos or other obvious errors and alert the advertiser.

Deadline: 10th of previous month

Publication Date: Approximately the first few days of each month. If you have timely info, remember to plan your advertising accordingly.
